Stubičke Toplice has a long, rich and diverse history. It is believed that the town was known as early as the time of Roman Empire, due to two Roman coins from the era of emperor Hadrian that were found near the pool in 1963. With its centuries-old tourist tradition, it is a very popular vacation spot located in the continental part of the country, serving as a spa center and health resort. Connected by the state road D307, it is located 40 kilometers (25 miles) north from the country's capital city Zagreb. **The 25<sup>th</sup> European Youth Go Championships** in March 2020 has been organized in the same Congress Center of the hotel Matija Gubec in Stubičke Toplice.
